November 5, 2008 by 12:00pm (JST)

Cases submitted after scheduled deadline will NOT be accepted for any reason.

CD-ROM is requested to submit by the above deadline.

5 Acceptance/Rejection Announcement & Excellent Cases

CCT2009 Course Directors reserve the right to make final decision on Acceptance/Rejection of Cases.
Results will be posted on CCT2009 Website and notified by e-mail in the beginning of December.

From among cases accepted, exemplary works will be selected and those presenters will be invited to give presentations at CCT2009. In addition, three works of exceptional quality among them will be awarded and these presenters will be invited as faculties in CCT2010.

6 Note

Case must be concise and arranged in this order: Target Lesion, Strategy, Final Result.

There is no word limitation.

You cannot attach any illustration, table or chart to your case.

Only English can be used.

7 How to submit on the website

Please visit CCT2009 website. (<http://www.cct.gr.jp/2009/>)

1. Click "Case Competition 2009 -Call for Cases"
2. Selection Screen. (guidelines for English, guidelines for Japanese)
3. There will be a guideline for submission. Please read the guideline carefully before submission.
4. "Case Submission Form" page
 - Please input your information and case.
 - After sending the form, your Case Registration Number will be issued. At the same time, a confirmation with the number will be sent to your e-mail address. (Please keep your Case Registration Number, because this number is required for case modification and to confirm Acceptance/Rejection.)
 - Print out the Confirmation page and send it with CD-ROM to the CCT Secretariat by courier service.
(Please make sure to specify the Case Registration Number.)

*The file is required in **DICOM format**.
*The CD-ROM you submitted is not returned. Please acknowledge beforehand.
