12:45 - 13:45 Luncheon Seminar
14:00 - 16:00 Live Case Transmission
PCI Live Theater 1

Luncheon Seminar

Exploring ESPELUX Edu in Practice

INTRODUCTION

Experience a live demonstration of preoperative measurement using Penetration Plane View (PPV) and Objective Perpendicular View (OPV) with ESPELUX Edu, based on angiographic data from the upcoming Live Case Transmission. Discover how the concept of orthogonal perspectives can be integrated into daily clinical practice!

CHAIR

KENYA NASU M.D. (Mie Heart Center)

TAKAFUMI TSUJI M.D. (Kusatsu Heart Center)

SPEAKERS

KENYA NASU M.D. (Mie Heart Center)

"Introduction to ESPELUX Edu"

SATOSHI SUZUKI M.D. (Kindai University Nara Hospital)

"The Guide to Using ESPELUX Edu"

COMMENTATOR

ANEK KANOKSILP M.D. (Central Chest Institute (Thailand))

Live Case Transmission

Exploring the Frontiers of CTO-PCI

CHAIR

SCOTT ANDREW HARDING M.D. (Wellington Hospital (New Zealand))

KENYA NASU M.D. (Mie Heart Center)

TAKAFUMI TSUJI M.D. (Kusatsu Heart Center)
