12:45 - 13:45 Luncheon Seminar
PCI Live Theater 1

Luncheon Seminar

From CTO to Everyday PCI : Expanding the Use of ESPELUX Edu

MODERATORS

Kenya Nasu M.D. (Mie Heart Center)

Maoto Habara M.D. (Toyohashi Heart Center)

SPEAKERS

Seung-Jun Lee M.D., Ph.D. (Yonsei University Severance Cardiovascular Hospital)
"Understanding the Penetration Plane Method
and the Concept of ESPELUX Edu"

Hiroshi Nakagata M.D. (Sendai City Hospital)
"ESPELUX Edu in CTO-PCI: From Planning to Practice"

Kenichirou Shimoji M.D. (Saiseikai Utsunomiya Hospital)
"Beyond CTO: Applying ESPELUX Edu to Everyday PCI"

INTRODUCTION

In this session, participants will learn the fundamental concepts of the Penetration Plane Method and explore the clinical application of ESPELUX Edu across a wide range of clinical scenarios, including CTO, bifurcation, and non-CTO cases.

We look forward to your participation.
